# INTOSAI Capacity Building Committee

The Capacity Building Committee is the INTOSAI advocate and custodian for SAI capacity development. We facilitate initiatives in support of SAIs and regions building their capacities and enhancing their capabilities.

## Welcome!

It is a great pleasure for me to introduce you to **the new website of the INTOSAI Capacity Building Committee** - and to the new Committee. This website will be the main arena for Capacity Building Committee members and stakeholders to retrieve current information on the activities of the subcommittee. You will also be able to find guides and other useful tools in capacity building related issues. The website is still under construction and we ask for your patience.
